BALLET INTENSIVE

This year at camp we are going to learn about makeup! All dancers know we must practice our dance choreography before a performance. But many dancers forget that properly applying dance makeup also takes practice!

Each day dancers will start with a 2 hour ballet/stretch class followed by a quick snack break. After break/lunch we will learn one style of makeup. We will learn the techniques and tricks of applying each style and also when and where each style is appropriate. Styles planned (with options for more or less depending on skill level of each class): auditions/headshots, small stage/dance competition, large stage/theatrical ballet, character, and fantasy.
